

CERTIFICATE OF MEMBERSHIP

NARSA/IDEA Members design, manufacture, repair, maintain, distribute, and sell products used in thermal management and diesel emissions for transportation and industry.

As a NARSA/IDEA member, we recognize our obligations under the Code of Ethics to strive for the highest attainable standards in service and products to provide exceptional value to our customers. We pledge ourselves to competence, honesty, and integrity.

NARSA • The International Heat Transfer Association was founded in 1954 in the USA to provide a forum for education and commerce in the heat exchanger industry

IDEA • was founded in 2019 to serve the growing diesel emission filter cleaning industry.

Today, both associations are worldwide leaders in education businesses that offer products and services for these two industries.

A handwritten signature in black ink that reads 'Nathan Ingrao'.
